TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Bath qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose a town clerk, one selectman for three years, one trustee of the trust funds for three years, one library trustee for three years, a town treasurer, auditor, one or more highway agents, and all the other necessary town officers and agents for the ensuing year.

Article 2. To hear the reports of officers and agents heretofore chosen and pass any vote relating thereto.

Article 3. To see how much money the town will vote to raise and appropriate for town officers' salaries and expenses; for the repair, maintenance and construction of highways and bridges; for the support of the town library; for the support of the poor; for the observation of Memorial Day and Old Home Week; and for all other necessary town charges and expenses for the ensuing year.

Article 4. To see what action the town will take in regard to securing state aid for highways, and to raise and appropriate such sums of money as may be necessary for that purpose.

Article 5. To see if the town will vote to raise and appropriate the sum of four hundred dollars for the control of White Pine Blister Rust.

Article 6. To see what action the town will take in regard to the Memorial Monument on the Common.

Article 7. To see if the town will vote to dispense with the delivery of the inventory blanks until April 1.

Article 8. To see what action the town will take in regard to keeping the town highways open for motor traffic during the winter season and to make necessary appropriation therefor.

Article 9. To see what action the town will take in regard to purchasing suitable highway equipment.

Article 10. To see what action the town will take to authorize the selectmen to borrow money in anticipation of taxes.

Article 11. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 23rd day of February A. D. 1931.

DAVID S. REED,
FRED P. WELLS,
ELWOOD J. ROSS,
Selectmen of Bath.

FOREWORD

In submitting this, the annual Town Report for the fiscal year ending Jan. 31, 1931, it seems fitting to offer an explanation for the appearance of a deficit of $242.98.

On account of the extra heavy traffic over the Monroe road occasioned by the Connecticut River road in Vermont being closed, we were obliged to construct a new bridge near the farm of Church Bros. In spite of the fact that we applied for and received State Aid, this bridge cost the Town $2,584,09, for which there was no appropriation.

The new cement road was constructed at the expense of the State and Federal Government, yet the items of extra expense on account of this project, and which have not been refunded, amount to $1,636.80. There was also no appropriation to cover this. We also had an expensive slide at the "Narrows," but this was taken care of out of the appropriation for State Aid Maintenance.

DAVID S. REED,
FRED P. WELLS,
ELWOOD J. ROSS,
Selectmen.

In November the Librarian with two Trustees, attended a very interesting and pleasant neighborhood meeting at Lisbon.

Miss Dorothy Annabel, secretary of the State Library Commission at Concord, was in attendance. She gave a very interesting and helpful talk on different books and subjects.

Miss Florence Whitcher of Lexington, Mass., in previous years, had presented the library with twenty-one expensive books of biography, which had been mentioned in the report as gifts from a friend. For some reason she did not want her name mentioned. She passed away last summer, and we are quite sure her friends and relatives will be pleased to know of this gift.

Miss Whitcher was the daughter of Bradley Child Whitcher, who used to live in Bath years ago.

BESSIE T. RANDALL, Librarian.

AUDITOR'S REPORT, WITH SUGGESTIONS

The Treasurer's book was properly vouched and correct, also Tax Collector's books. Trust Fund statement, Town Clerk's statement, Library Clerk's state-

ment and town books were found in proper condition and approved.

As Auditor of the books I make the following suggestions and strongly recommend them for the convenience of the office holders:

At the end of the fiscal year, all books be balanced and placed in town office; that completed or filled book be kept in town vault as they are town property and not personal property, thus ensuring them against danger such as fire and chances of loss in private homes. It then enables those who hold office to easily look up matters of past date. I recommend that office holders faithfully perform their duties as per oath administered them by the Moderator for the best interest, to the community and town. As the Town has a vault I would suggest the bank legacy books be kept in it; interest computed and orders for this interest be presented at the bank for payment, thus saving time and expense taken up by the trustees and bank clerks. The books would then be accessible to the auditor, as the law reads they shall be examined by that office holder. It might be well to add that the books in the various departments be submitted with their statements.

I would urge that a different tax book be used by the Collector, as some taxes are paid on installments. The space is so limited that figures become confused and not legible.

That the salary of the Auditor be fixed. The sum now paid is far too small to compensate the holder for going over the various books and vouchers containing thousands of figures, made during the year.

I faithfully submit the suggestions and append my name.

MARTHA BEATTIE, Auditor.

Bath, N. H., Feb. 13, 1931.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Bath Town School District:

I herewith present my first annual report as superintendent of schools.

During the year 1929-1930 the total enrollment was 75; the per cent of attendance 94.33; pupils not absent nor tardy, 9; number of tardinesses, 185; visits by board members, 3; by superintendent 76, by citizens, 184. In addition to the pupils in the town schools, the district paid tuition for 7 elementary and 25 high school pupils, who attended schools outside of the district.

Those on the roll of honor for perfect attendance were Hazel Aldrich, Barbara Church, Dora McQuesten, Christine Milton, Mabelle Milton, Iola Moulton, Harry Poor, Frank Robie, Kathlyn Whitcomb.

There were 8 pupils promoted in June from the eighth grade to the high school: Elizabeth C. Arsenault, Roger M. Burt, Jean B. Milton, Harry C. Poor, Curtis A. Stimson, Clayton W. Welch, James R. Wright, Viola M. Young.

This current year the enrollment has been 75. The following list shows the names of the schools, the teachers and the number of pupils: Swiftwater, Mrs. Elizabeth Hooper, 30; Nutter, Mrs. Avis Lemieux, 15; Pettyboro, Vilma Robinson, 15; Carbee, Margaret Powers, 15.

I am pleased to call attention to the improvements made in some of the buildings last summer namely: repainting the Nutter and Carbee and the addition of more windows at the Nutter and Pettyboro schools. The most urgent need at present seems to be that of more sanitary toilet facilities.

In general I think the work of the schools is progressing in a satisfactory manner. This is probably

due to the fact that we have experienced teachers in every place.

Respectfully submitted,

EDWARD A. JANES.

BATH UNION SCHOOL DISTRICT

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Bath Union School District:

I herewith present my first annual report as superintendent of schools.

During the year 1929-1930 the enrollment was 107; per cent of attendance, 94.46; number of cases of tardiness, 162; number of tuition pupils, 22; school visits by board members, 3; by superintendent, 84; by citizens, 76. The above figures need but little comment except that referring to tardiness. I would strongly urge parents to make every effort to have their children at school on time. Promptness being one of the important factors of success, the boys and girls are bound to receive lasting benefit from the cultivation of this habit.

The following pupils were on the roll of honor for perfect attendance: Roland Campbell, Mary Clough, Bernice Estes, Roger Estes, Irmah McCoy, Richard Smith, Horace Woods, Zellene Young.

Eight pupils were promoted in June from the eighth grade to the high school: Allen Aldrich, John Callahan, Bernard Knighton, Coleman Mitchell, Raymond Smith, Hazel Tewksbury, Isabelle Woods, and Whitney Woods.

This current year there have been enrolled in the high school 34, in the grammar room 23, and in the primary room 39. The smaller number at present in the primary room has permitted a much better schedule

than that of last year. I feel sure the work of the children will benefit accordingly.

I am pleased to bring to your attention the favorable comments made by Mr. Leavitt, the high school agent of the State Board of Education, on the modern methods in use and the results obtained in the Bath High School.

In behalf of the district I wish to thank Mrs. Woods for her gift to the high school of the Encyclopedia.

For a description of the various activities and other items of interest I would refer you to Mr. Black's report which follows this.

Respectfully submitted,

EDWARD A. JANES.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:
Sir:

I hereby tender my fourth report as Headmaster of the Bath Union High School.

At the Commencement of June 13, 1930, seven seniors were graduated: Alvah Chase, Roland Campbel, Mary Clough, Arthur Gilbert, Bernice Smith, Ervin Tewksbury and Ruby Tewksbury. The remaining twenty-one pupils were promoted, and all of them returned to school Sept. 2, 1930, when the present school year began. School started one week earlier than usual in order to have one week vacation at Thanksgiving and two weeks at Christmas. The vacations after Christmas begin Feb. 20th and April 17th.

The enrollment on September 2, 1930 was the largest in the history of Bath Union School. There were eighteen boys and fifteen girls. The Freshman class was especially large with twelve pupils, seven from Bath Grammar School, four from Swiftwater Dis-

trict, and one from Pettyboro District. The total enrollment became thirty-four on Jan. 5, 1931, when Hilda Wheeler was transferred from the Stevens High School of Claremont, N. H. There were nineteen tuition pupils at the beginning of the school year: eleven from Swiftwater District, one from Pettyboro District, two from Nutter District, two from Bath District, one from West Bath District, one from Benton, and one from Landaff. Frederick and Bernard Knighton moved to Bath village Dec. 18, 1930, and the number of tuition pupils is now only seventeen. The seniors who are expected to be graduated the evening of June 11, 1931 are as follows: Viola Carleton, Bessie Callahan, Lyle Estes, Frederick Knighton, Clarence Reed, Frederick Reed, James Young and Hilda Wheeler.

During the summer months the interior of the school building was made more attractive by having the ceilings whitened and the walls tinted a light green. In October 1930, the Biology class, as one of its projects, planted 55 young red spruces along the boundary of the school grounds, adjoining the cemetery and Roy Clough's farm. The High School boys also helped to secure and erect the Christmas tree on the Common. These trees were donated by Mr. Blandin.

Every pupil in the High School is expected to take part in at least one play; and to this end the casts of the various plays are chosen. The time devoted to this important school activity is of inestimable value to the pupils. Mrs. Ellen Chase is a very able and thorough coach, and the plays are always successes. "The Big Cheese", a three-act comedy was ably presented June 5, 1930. The other big and very successful play was "Meet Uncle Sally", which was given by the Senior class with help from other classes Nov. 20, 1930.

The Lyceum was organized this year to take the place of the former Scientific and Literary clubs. Although it meets every Friday afternoon, its programs

are given once a month in the form of a short play, social, or entertainment. "School Days", a one-act comedy, was given by the Lyceum Sept. 26, 1930. Hallowe'en Party and the Christmas entertainment were also arranged for by the Lyceum. A "Carnival of Indoor Games" was given in the Town Hall, Jan. 23, 1931. At the regular Friday meetings, business matters are handled and a program of Current Events rendered by individual classes.

There was only one change in the teaching staff of the Bath schools. Miss Olive Christie, the primary grades teacher, was married to Mr. Roger Parker of Lisbon. Her place has been ably filled by Miss Dorothy Boland of Haverhill, N. H. Miss Saraph Darling is again carrying on her excellent work as teacher of the Grammar room. Both of these teachers are willing to cooperate with the High School in all of its activities. And the relations between the High School and the other rooms are what they should be.

Baseball and basketball are still the major sports. The baseball season last spring was fairly successful. Games were won from Wells River and Groton; and lost to Haverhill Academy. The basketball season began with games on the two out-doors courts last September. Indoor practice began in the town hall the first of November. A number of games have been played with the Alumni with one victory for the girls' team; and with honors divided for the boys' team. To date the girls have won three out of five games played. The boys have been less successful, winning only one out of four games played. The games have been moral victories, due to the lack of dirty playing and roughness on the part of the members of both teams.

Since the death of our beloved Superintendent Page last winter, we have had two superintendents. Mr. Young of Portsmouth acted as superintendent until the vacancy caused by Mr. Page's going could be

filled by Mr. Janes. The relations of the school board and the teachers have been very cordial; and its help in solving some of the school problems have been very much appreciated. The school board has been very generous in furnishing the school with the necessary supplies and thoughtful in replacing the much needed new window shades.

Respectfully submitted,
WALLACE D. BLACK, Headmaster.
